

MATERIAL SAFETY DATA SHEET
Corrosion Inhibitor for Ethanol storage and Gasohol (HP – EGIN)

HINDUSTAN PETROLEUM GREEN R&D CENTRE,
KIADB INDUSTRIAL AREA, TARABAHALLI VILLAGE, DEVANAGUNDI, HOSKOTE
TALUK, BANGALORE-560067
PH: 080-28078521/080-28078524

ANNEXURE-III

SECTION 1. CHEMICAL IDENTIFICATION

Name : Corrosion Inhibitor for Ethanol Storage and Gasohol
Application : Inhibiting corrosion in the Ethanol Storage and Gasohol
Use : Corrosion Inhibitor
Address : Hindustan Petroleum Green R&D Centre,
KIADB industrial area, Tarabahalli village,
Devanagundi, Hoskote Taluk,
Bangalore-560067

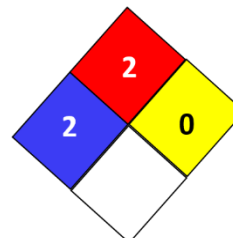

SECTION 2. COMPOSITION

Name	Content
Amine	10-20 wt%
Quaternium salt	10-20 wt%
Anti-oxidant	2-7 wt%
Solvent	55-80 vol%

SECTION 3. PHYSICAL AND CHEMICAL PROPERTIES

Appearance : Clear colorless transparent liquid
Density : 0.8054 g/cc
Viscosity : 1.5 cSt at 40 °C
Flash point : 22.6 °C
Pour point : -57.5 °C

National Fire Protection Association (U.S.A.):
Health: 2
Flammability: 2
Reactivity: 0
Specific hazard:

SECTION 4. HAZARDS IDENTIFICATION

Most important hazards: Harmful if swallowed and inhaled. Flammable Liquid

SECTION 5. FIRST-AID MEASURES

Ingestion	Wash out mouth with water. Call a physician.
Eye contact	Rinse with a copious amount of water.
Skin contact	Wash with plenty of water. Remove clothing.
Inhalation	Remove to fresh air. Provide artificial breathing if required.
Notes to physician	In all cases get medical attention.

MATERIAL SAFETY DATA SHEET
Corrosion Inhibitor for Ethanol storage and Gasohol (HP – EGIN)

SECTION 6. FIRE FIGHTING MEASURES

Extinguishing Media	Foam type extinguishers
Firefighting instruction	Cool containing vessel with water to prevent pressure build up. Respiratory, skin & eye protection required
Special hazards	Emits toxic fumes under fire conditions

SECTION 7. ACCIDENTAL RELEASE MEASURES

Contain the leaking liquid on sand or earth. Absorb small spills with absorbent. Wash the surface with water and soap. Seal the waste in vapor-tight bags for eventual disposal. Incinerate.

SECTION 8. HANDLING AND STORAGE

Handling	Wear mask, Chemical-resistant gloves, safety goggles, other protective clothing.
Storage	For drum storage, store in a cool, dry and well-ventilated area. Store away from heat (out of direct sunlight), open flame, ignition sources, oxidizers and reducing agents

SECTION 9. EXPOSURE CONTROLS AND PERSONAL PROTECTION

Exposure Limit	Avoid prolonged or repeated exposure
Engineering measure	Safety shower, eye wash
Personal protection	Wear suitable gloves, apron & eye/face protective equipment. Wash thoroughly with water & soap after handling
TWA	157 ppm
STEL	196 ppm

SECTION 10. STABILITY AND REACTIVITY

Conditions to avoid	Heat, flame, sparks and sunlight
Incompatibility	Strong oxidizing agents
Decomposition Products	Toxic fumes of CO, CO ₂
Hazardous polymerization	Does not occur

SECTION 11. TOXICOLOGICAL INFORMATION

Toxicity Data	Hazardous in case of skin contact (irritant)
Route of entry	Absorbed through skin. Eye contact.
Effects of overexposure	Causes skin irritation and burn. Harmful if swallowed. Causes gastrointestinal / digestive track irritation. Causes eye irritation and burns

MATERIAL SAFETY DATA SHEET
Corrosion Inhibitor for Ethanol storage and Gasohol (HP – EGIN)

Medical Conditions Generally Aggravated by exposure	Harmful effects on skin lungs and eyes in case of prolonged exposure
---	--

SECTION 12. ECOLOGICAL INFORMATION

- Keep out of sewers, drainage areas, and waterways. Report spills and releases, as applicable, under State regulations

SECTION 13. DISPOSAL CONSIDERATIONS

- Dissolve or mix the material with a combustible solvent and burn in a chemical incinerator equipped with an afterburner and scrubber.
- Observe all central, state and local environmental regulations.

SECTION 14. TRANSPORT INFORMATION

UN hazard classification : Flammable Liquid
UN No. : 1993
Class : III

SECTION 15. REGULATORY INFORMATION

- Harmful by inhalation, in contact with skin and if swallowed. If you feel unwell, seek medical advice immediately.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice
- Take off immediately all contaminated clothing
- Wear suitable protective clothing, gloves and eye/face shield

SECTION 16. OTHER INFORMATION

The information and recommendations in literature and on labels are to the best of our knowledge reliable. However, nothing herein is to be construed as a warranty or representation. Users should make their own tests to determine the applicability of such information or the suitability of any products for their own particular purpose. The license is granted to make unlimited paper copies for internal use only.
