

Technical Report to Check Commercial Application Suitability for
Developed Products

Date: 17.05.2023

PROJECT TITLE: HP BIOREMEDIA: Microbial additive for hydrocarbon bioremediation

Material Safety Data Sheet: HP Bioremedia

1. Chemical identity

Chemical name	HP-Bioremedia
Chemical classification	Biological granules
Synonyms	Bio-additive
Trade name	HP-Bioremedia

2. Physical and chemical data

Physical state	Solid
Appearance	Brown granules
Boiling/melting/freezing point (°C)	No information available
Vapour pressure	Not applicable
Specific gravity	Not applicable

3. Fire and explosion hazard data

Flammability	Not applicable
Flash point (°C)	Not applicable
Ignition temperature (°C)	Not applicable
Explosion sensitivity to impact	No
Explosion sensitivity to static electricity	No
Hazardous combustion products	CO ₂
Hazardous polymerization	Not applicable
Combustible powder	Not applicable
Explosive material	No
Corrosive material	No

4. Reactivity data

Chemical stability: Stable under cool conditions (18-22°C) for 6 months and away from sunlight and moisture

Hazardous reaction products: On catching fire, it will decompose and generate CO₂

Technical Report to Check Commercial Application Suitability for Developed Products	Date: 17.05.2023
PROJECT TITLE: HP BIOREMEDIA: Microbial additive for hydrocarbon bioremediation	

5. Health Hazard data

Routes of entry: Inhalation, skin/eye contact, ingestion

Emergency treatment

In case of contact with skin/eyes, wash with fresh water; seek medical assistance in case of any symptoms.

In case of inhalation, move to fresh air and seek medical assistance in case of any symptoms.

Permissible exposure limit

LD50 (rat) – No information available

6. Preventive measures

Personal Protective equipment: Gloves, eye protection, covered shoes preferred.

Handling and storage precautions: Store under cool conditions and away from direct exposure to sunlight and moisture

7. Emergency and first aid measures

Fire: Water may be used to cool fire-exposed containers.

Antidotes/Dosages: Not applicable

Spills: Clean with cloth, wipe the area with common floor disinfectant.
